## Extra-Curricular Clubs Spring Term 2016

We are committed to providing as wide a range of after school clubs for your children as possible. We are very grateful to all the staff and friends of school who have agreed to hold after school clubs and hope that the range available will provide something of interest.

We are pleased to be able to offer tennis to Key Stage One children this term. If it is successful, we hope to extend this opportunity to other year groups after Easter.

After school clubs are run by either members of our staff or outside companies. Those run by outside companies do charge for their services and we pass this directly on to you. Clubs run by staff and friends of the school are currently free, but we ask you to treat these clubs very much as you would if you were paying for them; attending every week unless there is a good reason not to, letting the member of staff know if you cannot attend for some reason, collecting your children promptly at the end of the club etc. Clubs run by staff will run from the second week of term. We will give you as much notice as possible of any cancellations.

If your child would like to attend any of the clubs on offer, please complete the attached reply slip as soon as possible. If a club is over-subscribed we will endeavour to ensure a fair distribution of places are given to all children. If not enough children sign up to a club, the club will be cancelled. Priority for some clubs may be given to children who wanted to, but couldn't attend the club last term.

Yours sincerely,

Ed Read
