Summer Term Newsletter No. 10
24th June 2016

Dear Parents,

Very well done to all our Year 5 children who had their class assembly this morning. They shared with us some of their topic work from the term and also the adventures they had whilst away on their residential visit to Hill House last week.

End of Year Parent Survey
We are always keen to capture your views on our school, how you think we are doing and ideas for further improvement. Each year we send out a questionnaire to parents to help us not only with this snapshot, but also to monitor trends from year to year.
Once again we will be conducting our survey online using survey monkey. This is very easy to do and should save a great deal of time for everyone. Please click on this link https://www.surveymonkey.co.uk/r/CCEPS2016 or copy it into your browser to complete the questionnaire. Thank you.

Election Day

Whilst the adults up and down the country were voting in the EU referendum on Thursday, Cumnor School was voting on which charity we should support next year. As you may recall last year's charity election resulted in a tie between the DEC and Wateraid. Having counted all the votes from yesterday's election, our chosen charity to support next year is going to be Syria Relief.
We have one final fund raising event, a cake sale, for our current charities (DEC and Wateraid). This will take place next Thursday at playtime. If you are able to bake a few cakes or biscuits for the event, your donations would be very welcomed (maybe you could practise for the summer fete on Saturday?). Please keep in mind our nut free policy. Children can then buy a cake at playtime for 20p.

Chess club
Chess club will be cancelled on Monday 27th June as Mr Read will not be available that day.

From your PTA
Thank you for all your tombola donations this morning. They will make a fantastic stall next Saturday for you to spend your tokens on.
You will have a letter coming home in book bags today to give you the details of our Summer Bake-Off competition and also our Miniature Garden competition. So please get baking and creating and good luck!
If you have any books you would like to donate to the second hand book stall please bring them to school next week.
We will be having a MEGA - slide at the Fete, as well as a giant Hungry Hippos (where you are the hippos). The choir will be singing at 1.30pm, not to be missed.

If you haven't already offered, please help for half an hour at one of our stalls by filling in the rota sent round by PTA classroom reps. Also any help setting up before the fete, and in particular any help clearing up at 3pm will be very gratefully received.

School Photographs

Unfortunately Colourbox photography have sent through incorrect order forms for the class photograph, stating that they will be labelled with names of children and class teachers. As a school policy, we do not display children's names on photographs. Therefore the class photograph will be £13.00 not £13.50. Colourbox have confirmed that any orders overpaid will be refunded by them on delivery of the photographs. They apologise for any inconvenience this may have caused.

What's my child been doing this week?

Reception	Talking about the properties of 3D shapes, learning about how to look after our teeth, using our typewriter to make sentences.
Year 1	Learning about sinking and floating and making predictions. Finding out about Ramadan from our visitor Jamel.
Year 2	Subtraction bingo, playing a recorder duet and improving our tennis skills.
Year 3	Column addition, making leaflets about sports events and playing tennis.
Year 4	Writing further adventures for Wind in the Willows, multiplication and division written methods, looking at food chains in rivers.
Year 5	Creating information booklets about the places we visited last week, multiplying fractions and preparing our assembly.
Year 6	Internet safety, preparing poetry performances and understanding changes that occur in puberty.
