**Summer Term Newsletter No. 8
10th June 2016**

Dear Parents,

Sports Day

I hope you enjoyed seeing your children participate in our sport afternoon yesterday. The weather was glorious, although a little too hot for some of us, but the children kept going and joined in brilliantly. Photos will be on the board in the entrance hall next week (and on the website) along with a short of video of the Sports day on the back field at Cumnor School back in 1958! – It looks very similar to yesterday's event! Thanks to Miss Pearson for organising the whole event and the PTA for their support with the refreshments, second hand uniform sale and lollies at the end!

E-Safety Meeting

On Wednesday evening we welcomed e-safety ambassador Tim Mean to school. He ran an e-safety workshop for staff in the afternoon and for parents in the evening. I hope that those of you who attended found it useful. Tim's main message was to make sure that the children were aware of how to keep themselves safe online and to make sure they know what to do and who to talk to if things happen they don't like. His presentation will be on the website shortly on the Curriculum / ICT page.

Class Photos

The children had their class photographs today and the proofs should hopefully be with us by the end of next week.

Cash 4 Coins

Here at Cumnor Primary School we're busy collecting foreign coins and notes and even old British obsolete currency.

We would be grateful if you would have a sort through the drawers at home and bring in any leftover holiday coins. We will be carrying on collecting over the year so if you're away over the summer and have some left over coins we would be glad to receive them. Our collection bucket will be in the entrance hall. Once the currency has been collected, we will send it off to www.cash4coins.co.uk who exchange it for cash we can use! Thank you for your support. **The School Council**

Cumnor Minors Girls U10 team

The Cumnor Minors are starting a new U10 (Year 3 and 4 from September) girls football team and have a pre-season open-day session planned for girls who may be interested in joining the team. The session will be from 6-7pm, on the 16th June at the Closes in Cumnor. Previous experience and football boots aren't necessary, but shin pads, a drink, and a bit of enthusiasm are!
