Autumn Term Newsletter No. 2
16th September 2016

Dear Parents,

English meeting for Reception and Key Stage 1
It was good to see quite a few of you at the KS1 English meeting this week, and the PTA for providing refreshments and explaining a little about themselves.
If you were unable to come, the presentation is now on the website www.cumnorprimaryschool.co.uk (Curriculum >> English including phonics)

New KS1 Climbing Frame
Many thanks to the PTA for giving us a new spider's web climbing frame, which has now been installed on the Key Stage 1 field. The children have all had a go on it this week and loved it.

Flu Vaccine for children in Years 1, 2 and 3.
This year the government are funding a programme of Flu immunisation for all year 1, 2 and 3 children. This will be through a nasal inhaler and will take place in school on Tuesday 15th November. An information sheet should be in your child's book bag today along with a permission slip. Our school nurse has asked for the permission slips to be returned to school, as soon as possible, so that she can collect them when she visits school next on the 26th September. Although Reception Class children will not be having the Flu immunisation through school, the School Nurse has asked that we distribute the Primary School Entry Health Review form for completion, also to be returned to school by the 26th September.

Snacks and Packed Lunches (Allergies)
Just to remind you that we have children who are allergic to eggs and nuts, therefore please do not send any of these into school as snacks or as part of their packed lunches.

What's my child been doing this week?

Reception	We began our carousel activities, practised letters t, p, i, n and had our first reading book!
Year 1	Drama workshop, sharing our favourite books, practising our counting, sensory exploration, starting forest school.
Year 2	Reading Titch and using ideas from it in our writing. Finding out about Roger Bannister and doing our own exercise tests.
Year 3	Mental addition and subtraction, writing dragon stories and water colour paintings.
Year 4	Exploring the Revolting Rhymes, greetings in French and writing a Roald Dahl fact file.
Year 5	Learning notetaking skills, revising column addition and subtraction, locating countries and oceans on the world map.
Year 6	Finding out about the mysterious death of Amy Robsart in Cumnor, accurate rounding and cross country running.

Diary dates:

Tuesday 20th September	AM	Year 5 start swimming lessons

Yours sincerely,

Ed Read
