Spring Term Newsletter Number 12

31st March 2017

Well done to all our Year 4 children who shared their Roman work with us in assembly this morning. They all looked fantastic too and sang beautifully. I'm glad they've really enjoyed their topic this term.

Eco Council Competition

The Eco Council have been working hard this term and their latest project is to raise some money for our school charity, Syria Relief.

We are having an Easter Hat Competition, to design your own recycled hat. Hats will be worn to our special assembly on Wednesday 26th April where the lucky winners will win a prize.

Entry is £1 and all money raised will go to our chosen charity.

How many recycled materials you can use in your hat?

School Clubs

Club places have been allocated today, you will receive an email if your child has not been allocated a place in the club they requested.

Please note there are no teacher run clubs next week or during the first week of next term.

From your PTA:

We are looking forward to seeing you at the Family Bingo evening tonight.

Heads down at 5.30pm. £5 for a family with 6 rounds and lots of prizes.

(Thank you so much to those who donated!)

Summer term Dinner menu

The School Lunch Company, along with input from our School Council, have devised a new menu for the summer and autumn terms.

A copy will be sent home today and is also available on the school website.

Unfortunately, due to a lack of demand The School Lunch Company have decided to close the break time snack bar after Easter
