

PSHCE Long Term Plans

Week	School Value	Element for focus including British values	SEAL theme	
Term 1 Week 1	Passion for Learning	Quality	New Beginnings	<p>Each classes should have at least 1, 30minute PSHCE lesson per week. The priority for these sessions should be tied into any topical issues there may be in the class. If there are no issues in the class then the PSHCE session should follow the value of the term, through the element to be focused on that week. These have been linked wherever possible.</p> <p>There are some resources in the SEAL Curriculum Development Resources Folder.</p> <p>The Anti-bullying curriculum should also be followed and time allowed to follow the whole school progression (See anti-bullying tab on the website).</p> <p>We will have an anti-bullying week in Term 4 covering not only bullying but E-safety too.</p> <p>A small display board in the entrance hall will be devoted to PSHCE and follows the value of the term.</p>
