

News from Cumnor School

Summer Term Newsletter Number 2

5th May 2017

Very well done to our Year 1 class who shared their work on animals and dinosaurs with us in assembly this morning. They spoke really well and we really enjoyed their song and dance at the end too!

From your PTA:

The Annual School Quiz. This will be on Friday 19th May at Cumnor Old School. Tickets are now on sale, please do come along, it is always a fantastic evening.

Year 6 SATS

Next week our Year 6 children will be taking their end of Key Stage 2 SATs. They have worked really hard, and I know they will absolutely do their best. If you happen to come in to school in the morning after 9 o'clock next week, please can you help them by keeping noise levels around the hall down? Thank you.

All Stars Cricket

All Stars Cricket is a new initiative from the England and Wales Cricket Board for YR - Y3 to enjoy their first experience of cricket. 24 clubs are signed up to deliver in Oxfordshire, including Cumnor Cricket Club. All children who sign up for the 8 week programme get a personalised kit bag. You can find out more about the scheme at <http://cumnorcricketclub.com/new-all-stars-cricket-for-reception-to-yr-3-children/>

	What has my child been doing this week?
Reception	Doubling and halving, planting magic beans and using Little Digits app.
Year 1	Introducing the x sign, practising our assembly, learning pre-historic eras.
Year 2	Creating our own story ideas, subtracting 2 digit numbers, learning about the Montgolfier Brothers and performing circus skills for our buddies.
Year 3	Adding and subtracting in columns, using adverbs and adverbial plurals and playing tennis.
Year 4	Mental and written methods for addition and subtraction, identifying and using determiners and starting swimming lessons.
Year 5	Identifying seas and oceans of the world and learning about the depth of our oceans. Learning how to make a balanced argument.
Year 6	Sharing strategies for assessment tasks with each other, creating relay race games and sketching.

Next Week:

W/B 8 th May	All week	Year 6 SATs Tests
Tuesday 9 th May	AM	Year 4 swimming
Friday 12 th May	AM	Fossil expert visiting Year 1

Yours sincerely,

Ed Read
